

CAREER & COLLEGE READINESS

CHECKLIST

This supplement to the College & Career Readiness Toolkit's Elementary Unit provides a list of **possible activities focused on career and college exploration** that you might like to pursue as part of your program's elementary CCR initiatives.

For each activity, you can identify **when you and/or your team will commit to implementing the activity** as well as any steps you might need to take to make it happen.

CAREER ACTIVITIES & PROMPTS

<input checked="" type="checkbox"/>	Activity / Prompt	What will this look like?	Month/ Year to Implement	Steps I/we will take to make this happen
